Alberta*

MUNICIPAL DEVELOPMENT PLAN

The Municipal Development Plan (MDP) provides high-level policies to guide certain kinds of development in the MD. In addition, it helps to identify a long-range vision for the MD to help guide decision-making about infrastructure investment, community programs, land use, culture, recreation and tourism.

1. What parts of living in the MD of Opportunity do you like best?	
#1	
Description:	What would you do to improve this over the next 10 years:
#2	
Description:	Potential solution:
#3	
Description:	Potential solution:

Alberta*

AREA STRUCTURE PLAN

The Area Structure Plan for your community provides a more detailed guide to how the community should develop. This includes choosing where certain kinds of development can happen (residential, commercial, industrial etc.) as well as setting policies that guide future infrastructure and capital projects in the hamlets.

Please write and describe the top three things about living in your local community. Please indicate how you would like to see those things improve over the next 10 years.
