## To The Contractor

October 11, 2022

RE: Quotation for Services for Drainage Improvement in the Hamlet of Wabasca

The M.D. of Opportunity No. 17 is requesting quotations to perform the following work:

### Scope of Work:

- Mobilization
- Truck Haul Borrow
- Common Excavation
- Supply & Install (600 mm dia.) Culverts
- Prepare Subgrade Surface
- Granular Base Course (2-25 and/or 2-20)
- Topsoil Placement
- Broad-Cast Seeding
- Rip Rap
- Erosion Control Soil Covering

### Material, Labour, and Equipment:

The Contractor will provide all equipment and product for the equipment. A complete job is called for, therefore any labor or incidental item not specifically mentioned, but necessary for completeness will be considered incidental to the Work and no separate or additional payment will be made.

### Traffic Accommodation:

The Contractor shall:

- Provide the required number of flag persons and supplies and equipment for flag persons during all periods of active equipment operations which may affect normal traffic operations,
- Control his operations to ensure normal school bus operations are not interfered with,
- Ensure uninterrupted access to developments along the project,
- Provide, regardless of weather, uninterrupted access to accommodate all emergency vehicles at all times, and
- Obtain prior approval from the MD17 before changing or disrupting existing accesses and road crossings.

The MD17 reserves the right to modify the Contractors operations if, in its opinion, traffic is being unduly hindered.

The Contractor shall be required to provide the MD17 with a specific Traffic Accommodation Strategy seven days prior to commencing operations for review and approvals.

## **Insurance:**

The contractor shall, without limiting his obligations or liabilities herein and at his own expense, provide and maintain Comprehensive or Commercial General Liability in an amount not less than \$ 1 million inclusive per occurrence (annual general aggregate, if any, not less than \$ 2 million) against bodily injury and property damage including loss of use thereof.

## **Start/Completion Date:**

The work may commence any time after a contract is signed with the MD17.

The intent is to have the project completed in its entirety by **October 31, 2022**.

## **Tender Award:**

The Owner reserves the right to accept or reject any or all tenders and to waive irregularities and informalities at its discretion. The Owner reserves the right to accept a tender other than the lowest tender without stating reasons. By the act of submitting its bid, the Bidder waives any right to contest in any legal proceeding or action the right of the Owner to award the work to whomever it chooses, in its sole and unfettered discretion, and for whatever reasons the Owner deems appropriate. Without limiting the generality of the foregoing, the Owner may consider any other factor besides price and capability to perform the work that it deems in its sole discretion to be relevant to its decision.

## **Safety Pre-qualifications:**

Contracts will only be awarded to Bidders who, prior to the time fixed for receiving tenders, possess a Certificate of Recognition (COR) or Small Employer Certificate of Recognition (SECOR), which is relevant to their industry and which is recognized by Alberta Ministry of Labour.

Confirmation that the Bidder possesses a COR or SECOR will be obtained through the Alberta Construction Safety Association.
